**Site: White Heather Industrial Estate, South Circular Road, Dolphins Barn, Dublin 8 and including a residential dwelling at 307/307a South Circular Road, Dublin 8 and an industrial building at 12a St James Terrace.**

To Whom It May Concern,

I refer to the above intended planning application, the site of which includes lands in the control of Dublin City Council, specifically lands within the roadway and footpath along South Circular Road and James Terrace as hatched in red on the attached drawing, dwg. no. 20016-OMP-00-SX-DR-A-1000, Rev. P03.

I wish to confirm that the City Council has no objection to the inclusion of these lands for the purpose of making a planning application. This is without prejudice to the outcome of the planning application process.

In the event that planning permission is granted and the development requires acquisition of Dublin City Council property including air rights, disposal will be subject to terms and conditions agreed with the Chief Valuer's Office. Any disposal of Dublin City Council property is also subject to Council approval under Section 183 of the Local Government Act 2001(as amended).

Yours faithfully,
